

**DOWNERS GROVE DODGE STORE CLOSES;
AUTHORIZED SERVICE CENTER NOW OPEN ONE BLOCK AWAY**

Downers Grove Dodge, located at 2311 Ogden Avenue, has closed its doors...but local Dodge vehicle owners may now get factory-authorized service only a block away at Bill Kay Chrysler, currently the area's local Dodge Servicing dealer.

Bill Kay Chrysler, at 2100 Ogden Avenue in Downers Grove, is a factory-authorized Dodge service center, providing maintenance and warranty work on all Dodge vehicles. For over 35 years, the Bill Kay Automotive group has been serving the area, and Bill Kay Chrysler has been awarded Daimler-Chrysler's coveted five star award, placing the dealership's sales and service department at the top tier of all dealerships in the nation.

"We are please to have served area Dodge owners with award-winning factory-authorized service for many years," says Bill Kay Chrysler General Manager John Spellman. "Since we are only one block away from the now-closed Downers Grove Dodge, we are looking forward to welcoming many new customers to our service department."

In addition to a five-star service department, Bill Kay Chrysler also maintains a huge parts inventory.

As a "welcome" offer to Dodge customers, Bill Kay Chrysler in Downers Grove is offering a \$9.99 oil change special for Daimler-Chrysler vehicles, including Dodge, Jeep and Chrysler models.

“We are equipped and ready to serve area Dodge customers with the same commitment to service Bill Kay has provided with all of our stores in Downers Grove and throughout the area,” Spellman added.
